

What country recently advertised in *The Wall Street Journal* about its “generous R&D tax credits”?

The R&D Credit Coalition is a group of more than 85 trade and professional associations and more than 1,000 small, medium and large companies which engage in U.S.-based research that represent major sectors of our economy including aerospace, agriculture, biotechnology, chemicals, electronics, energy, information technology, manufacturing, medical technology, pharmaceuticals, software and telecommunications.

Canada. (Ontario, Canada)

It's time for Congress to ensure U.S. global competitiveness by enacting a strengthened, permanent R&D Credit for the United States.
Cosponsor S. 664/H.R. 463
